The 4th Annual LSA 7/8 boys and girls tournament is fast approaching and your help is needed and would be appreciated. We will be holding this exciting

event on Friday, February 19th and Saturday, February 20th. We will need people to take admissions, run the score clock, keep the official scorebook and work in concessions. This will be extremely challenging on Friday night since we will be playing games at the LSA gym as well as the R-1 old gym. If you are able to help in anyway and for any amount of time we would appreciate it! You can e-mail me or call me at 668-9988 if you can help with admissions, clock or score book. Randy and Lora Harms would love to hear from you regarding working in the concession stand.

Thank you for your support of our athletic program and our Lutheran School Association!!!

## **Don't Miss This Opportunity**

The public is invited to attend a free presentation by Brian Young, a nationally known speaker and author, at Lutheran School Association, Schnell Auditorium, Monday, February 22, 2010 at 7:00 p.m. He will be sharing information on the topics of, "The Godly Family" and "Why Creation Is Important".

Mr. Young is the founder and director of CIA, Creation Instruction Association, a non-profit, organization dedicated to the teaching of Scientific Creationism as opposed to the theory of Evolution. He served as a principal and teacher of Christian schools for ten years before becoming a full time evangelist in the Creation ministry. He speaks and ministers in entertaining ways in prisons, schools, churches and universities around the country on the important issue of creation verses evolution.

The Godly Family- Having problems with your children or grandchildren? This is one of most requested presentations. See what the Bible says about the discipline and education of your children. This presentation will reveal what God sees as priority for your children and give Biblical steps in raising a Godly family. You will never view this awesome responsibility the same again.

Why Creation Is Important– Evolution is a clear answer to why the moral fabric of our society is unraveling. See how evolution is the main cause of abortion, homosexuality, divorce and compromise among the church. This video will logically expose how evolution strips away the foundation of Christianity by making the death of Christ a meaningless event. Logically, if evolution is true, Christ is not who He says He is. Great to examine issues with teens such as clothing, dating an marriage.

There will be a question answer session after the presentation. Although all ages are welcome the information presented will be most beneficial for ages 10 and up.

Sponsored by The Cole Camp Regional Ministry-Holy Cross, St. John's, Trinity Lutheran Churches.

➔ **LSA has a mid-size refrigerator that is available for a donation. Contact Mr. Andersen if you are interested.**
