K. I. D. S. - Kids Into Discipleship and Stewardship

K. I. D. S. is a Lutheran Church Extension Fund savings program that helps your child become more fully involved in the ministry of the church. The K. I. D. S. saving stamp program is a unique method of savings. It is an easy, fun way for children to learn about discipleship and stewardship. The K. I. D. S. Saver will learn the spiritual value of saving, that their money on deposit is used to build churches and schools, and to expand the kingdom of God in this place, around our District and even throughout our Synod. The last day of the school week your child can purchase K. I. D. S. Saving Stamps for 25¢ or \$1 each and place them in their K. I. D. S. Saving Stamp Book. You may buy as many stamps as you want. The book, when filled, will have a cash value of \$25.00. The book is then forwarded to the Lutheran Church Extension Fund for deposit to an interest-earning Dedicated Savings Certificate in the child's name with a parent or guardian as the custodian. Over the years, thousands have participated and many thousands of dollars belonging to children have been used to build churches and schools, playing an important part in Making Disciples of All Nations for our Lord Jesus Christ. K. I. D. S. will be of tremendous value to your children's future in teaching good saving habits, as well as teaching them at an early age to help support the Lord's work.
