The Curriculum Fair is coming up quickly! Your child has about a month to compile and display their information.

Spelling The Robots (three first graders) will continue to add 5 words daily and to have daily dictations over the last 15 words in their notebooks. The Earth and Tiger Groups will continue to add 6 words, and have dictation over the last 18. Check the back of this note for the words for next week.

1st Grade Every child still needs to read at least 15 minutes every night in either their reading books or baggy books!

2nd Grade Reading 20 minutes of nightly reading is expected and required! The January "Book It" calendar was due today. February charts will go home on Monday. One group is reading Horrible Harry and the Green Slime. They will take an AR test over it! The other group has finished Junie B. Jones and the Monster Under the

Bed. Only two people have turned in their book reports. Also, one of the Junie B. books has gotten lost. If you see it at home, please send it back to school!

Math 2nd graders will work with units of capacity (quarts, gallons, etc.) and dealing with sums that are greater than 100.

Science/Social Studies

We will be investigating the attraction of magnets.

Religion We will learn more about Jesus and his disciples.
